## Foreword

From the beginning, Forest has been a top-ranking Texas high school. Forty years of trials, pleasures, and progress have been recorded by the FORESTER. If this anniversary edition preserves happy memories of the school year, then the purpose of the 1956 FORESTER has been fulfilled.

## Dedication

For twenty-six years a beloved man has worked quietly, faithfully, and efficiently as a member of Forest's faculty. His place is high in the hearts of Foresters. As history teacher, as director of visual education, and as friend and advisor, he has earned the love and affection of his students and fellow teachers. With sincere appreciation the 1956 Forester is dedicated to C. V. Goodman.

Best of luck  
to a swell guy.  
Got of luck in the  
coming years at  
Forest and the future.  
Harry M. Perry

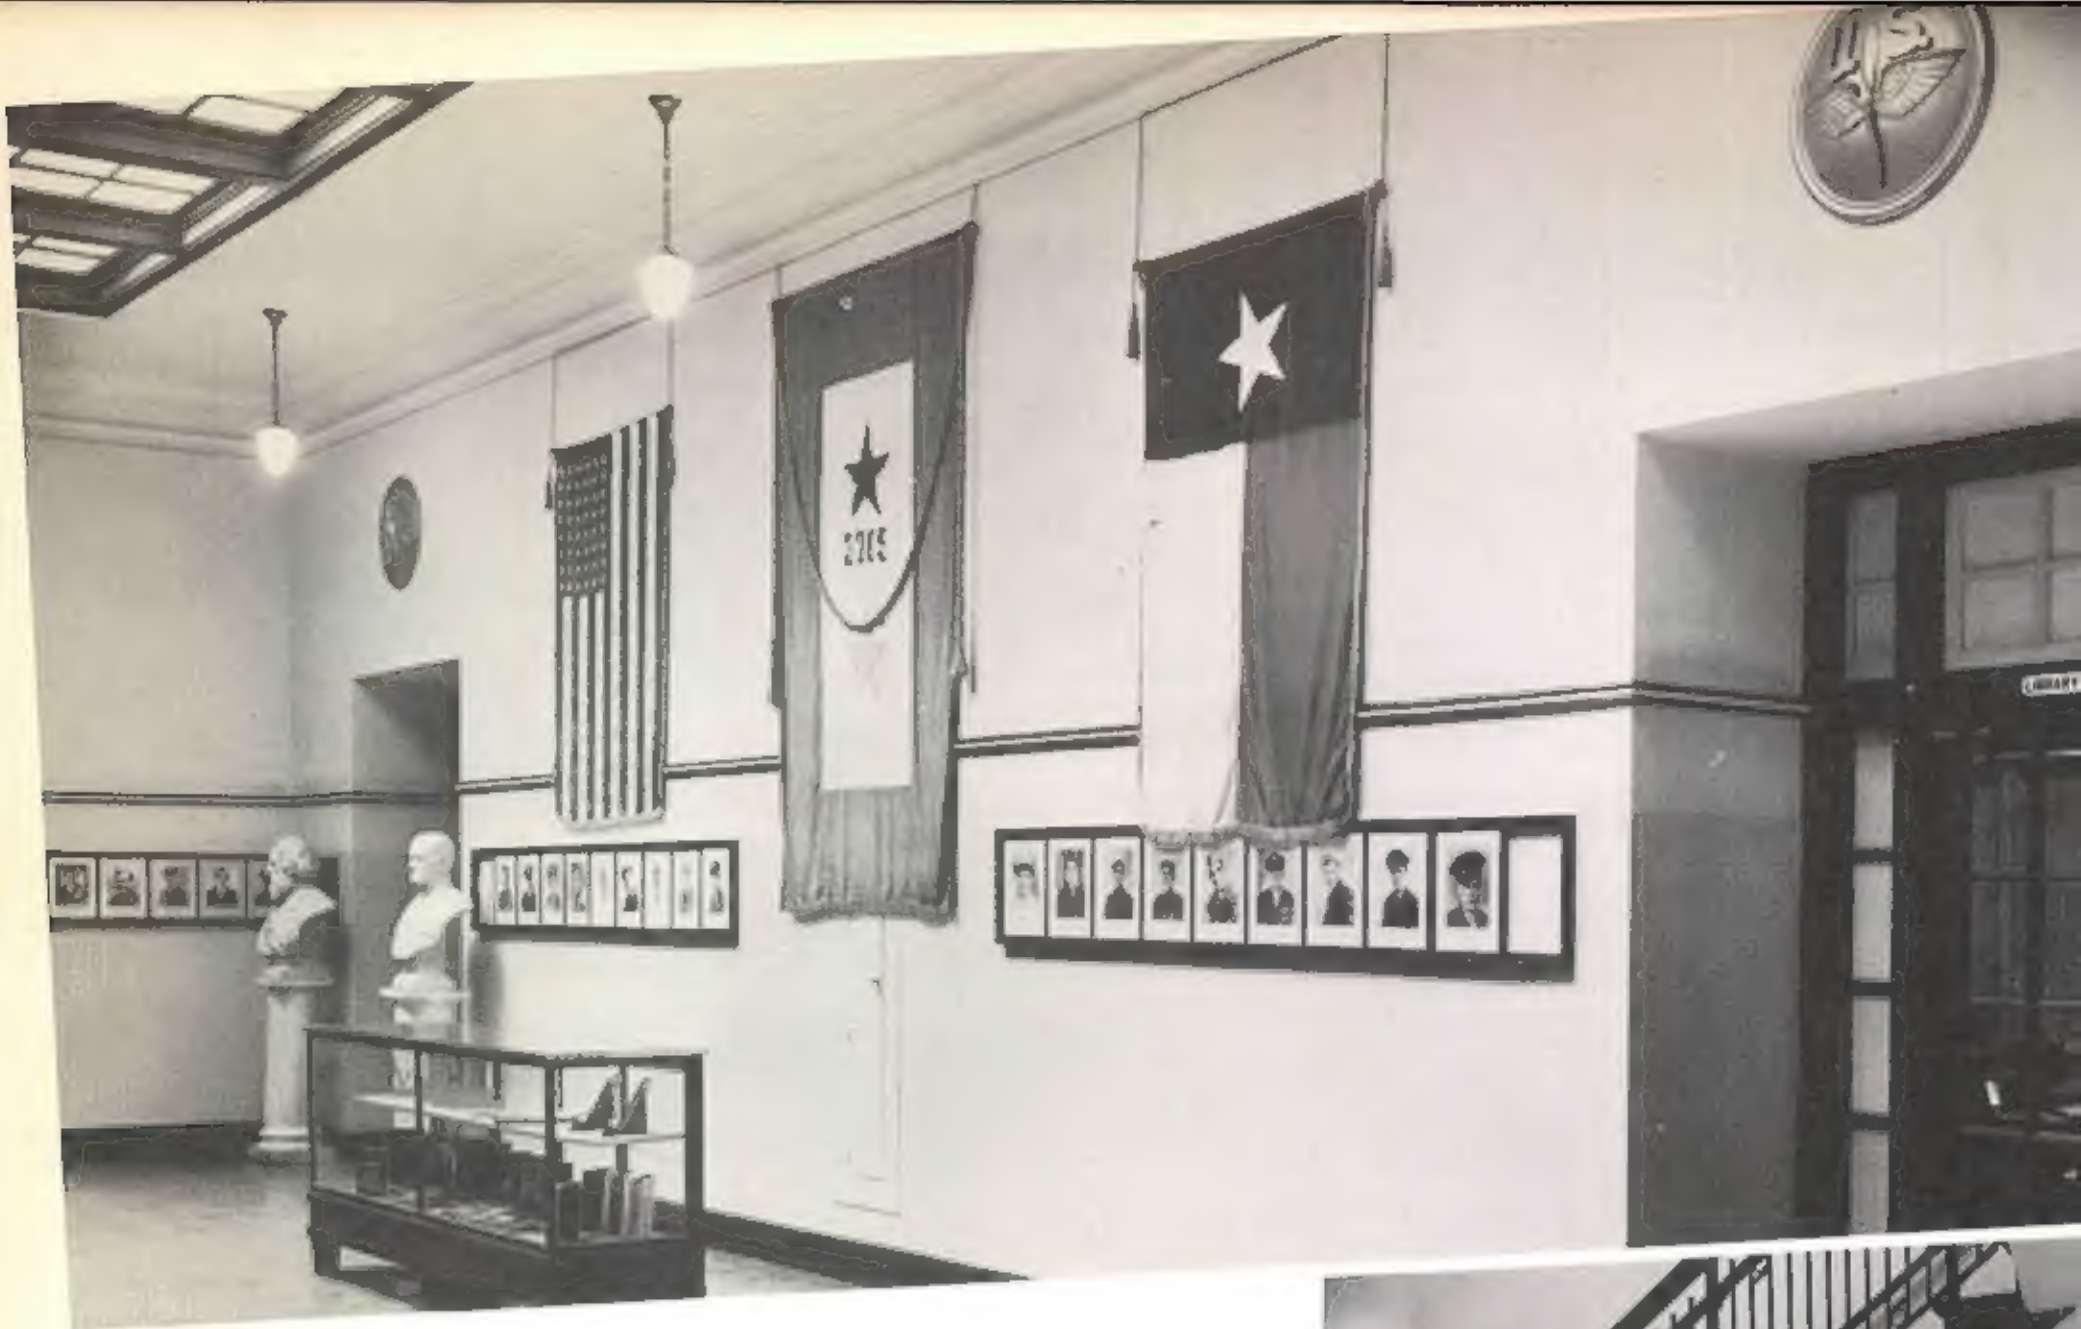

"Hail to thee, our alma mater,

Hail, Forest High!

We are loyal sons and daughters,

Hail, Forest High!"

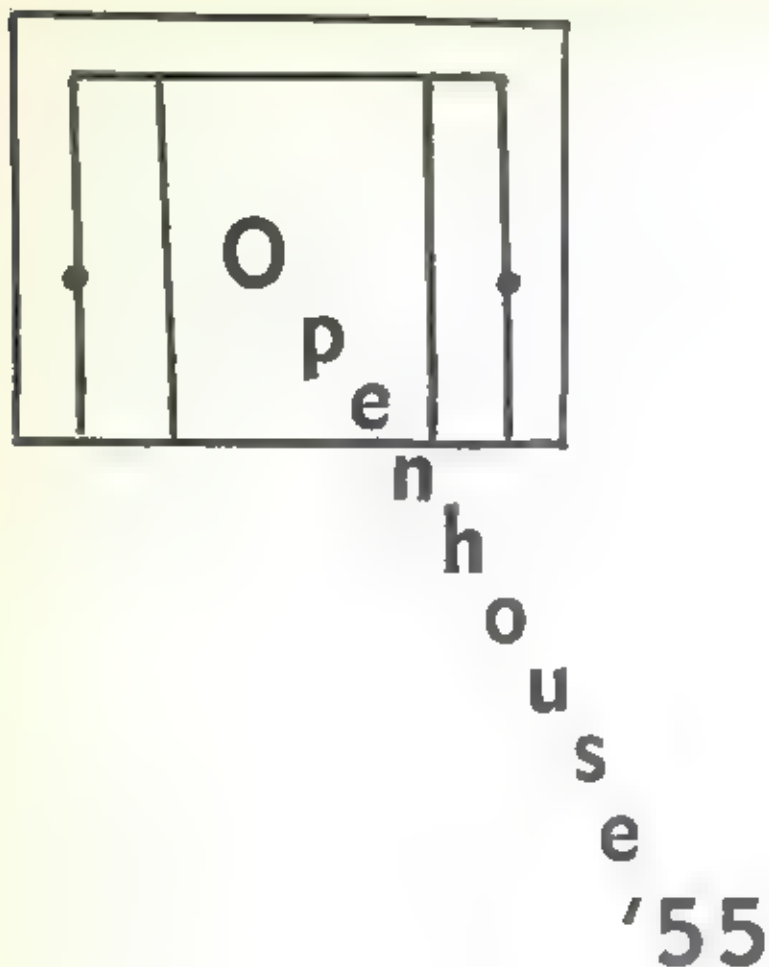

*"Through the years your halls will hold us.  
Then your memories will enfold us."*

*"On our hearts your name forever.  
Hail, Forest High!"*

# Open House '55

At Forest the highlight of American Education Week, November 7-13, is Open House. This annual affair begins with a one-hour tour of the classrooms, after which a program is presented by the students in the auditorium. In the halls are many booths prepared by various organizations of the school. Here are pictured groups in halls and classrooms.

The Pep Squad girls are in charge of registering visitors.

Miss Davidson receives special attention from these girls

Chief host at Forest's Open House is Mr. Whittlesey

"Mrs. Brown, may I present my parents?" says Barbara Freeland.

Mrs. H. H. Doyle is in charge of the PTA booth.

Mr. Shepard, center, presents  
his wife to a guest

Pictured here are a group of forest teachers accompanied by Miss Mariana McKee, foreground Left  
to right Miss Felder, Miss Harrington, Mrs. Unger

Howard Stuart, center, introduces  
his mother to Colonel Marshall

Musicians check into the band room to get their instruments

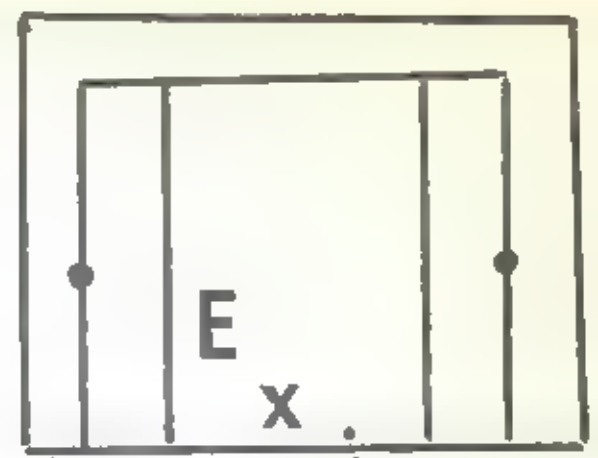

In the biology headquarters, Jean Burchett introduces her parents, center, to Mr. White, at right

Frieda Nafe and Carolyn Feezell introduce their mothers to their favorite Latin teacher, Miss Masters.

One of the most popular exhibits is this one prepared by Mrs. Kerr's Low-Eighth English Classes.

# ADMINISTRATION

Forty years ago Forest Avenue High School, Dallas' third high school, opened its doors to a new faculty and a new student body. Since 1916 Forest has made great progress in many fields. The able guidance of the administration and the efforts of the faculty have done much to make Forest a school that has from the beginning ranked in the top bracket of Texas high schools.

Principal E. B. Cautharn, served in this position from 1916 until 1920, when he was succeeded by Wylie A. Parker. In 1944, after Mr. Parker's retirement, James T. Whittlesey, our present principal, came to Forest

Conferences like this can be seen almost any day in Forest's halls. Shown here with Mr. Whittlesey is Mrs. Manning, visiting teacher.

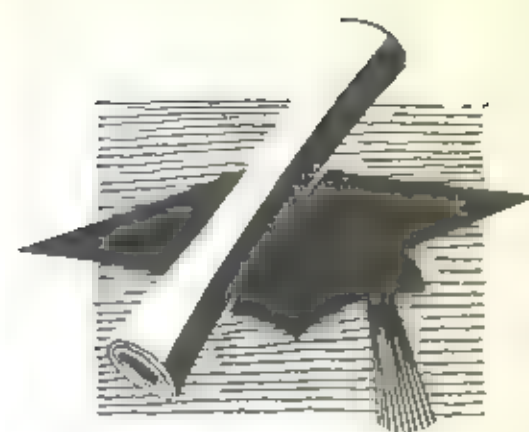

SELDON S. HUTCHINSON  
*Assistant Principal*

Catching up on his desk work is one of Mr. Hutchinson's many daily tasks

Although her chief assignment is counseling seniors, Mrs. Brown frequently advises underclassmen. Here Emily Cook receives advice on college entrance requirements

Mr. Peek, senior sponsor, confers with Ann Lancaster and Charles Lamb, left, on plans for graduation.

As dean of students, Miss Meriwether, has contact with every Forester.

Mrs. Calame, secretary, assists Kenneth Starkey in her always gracious manner.

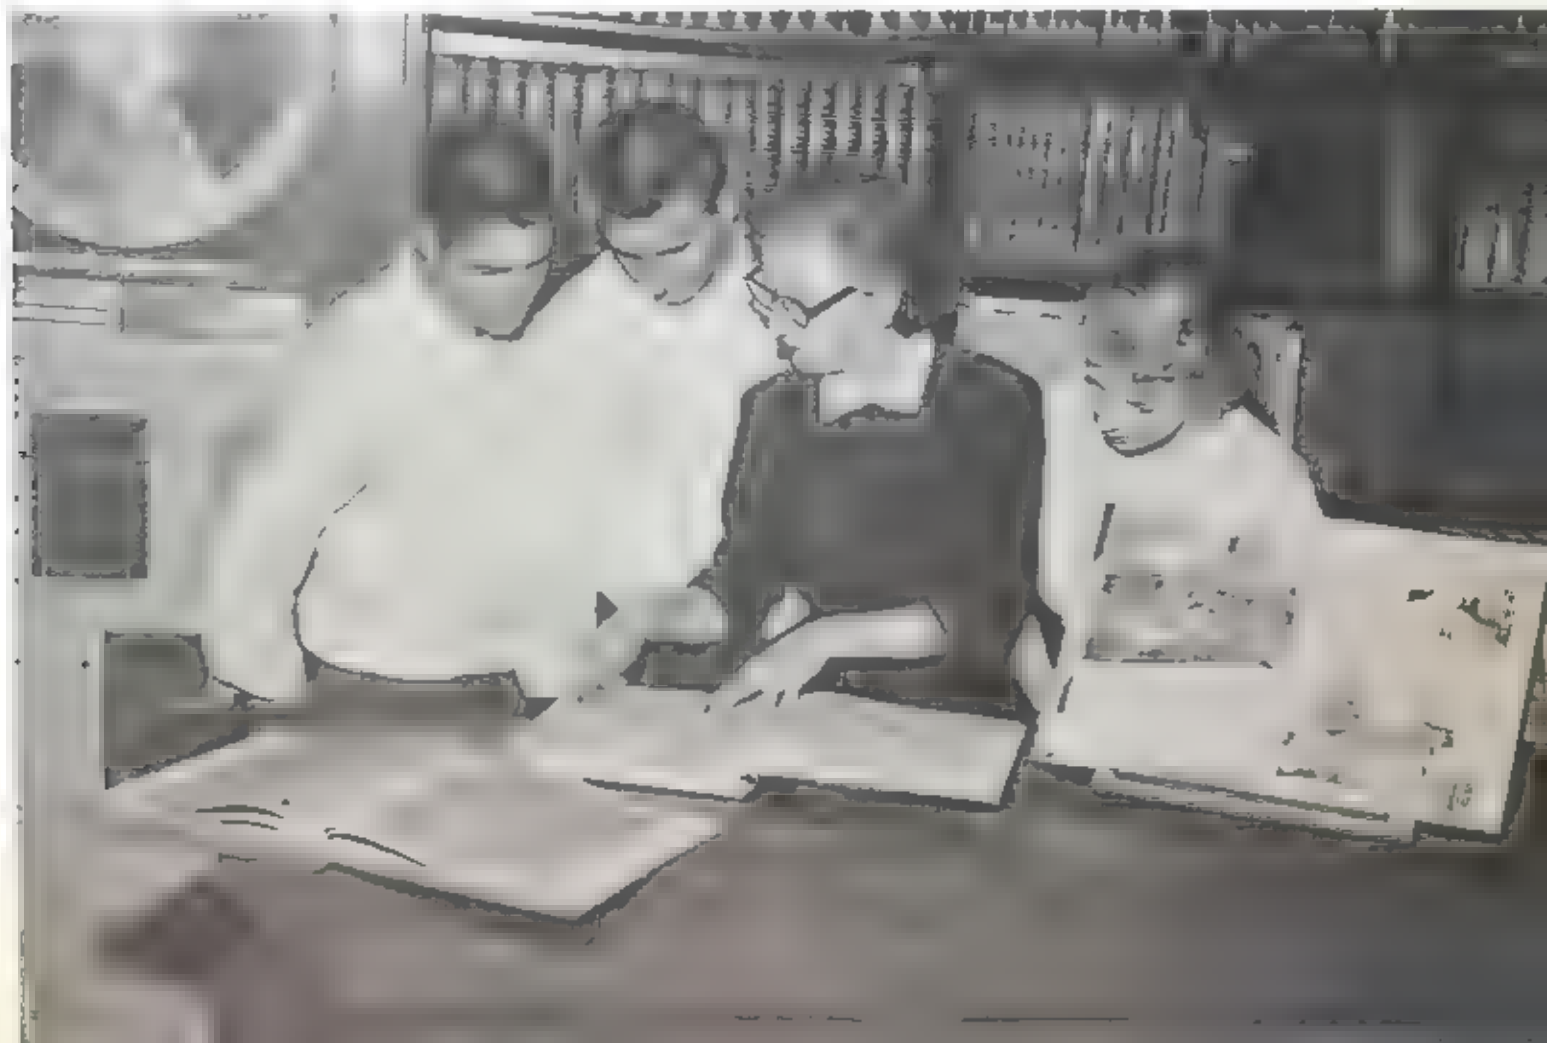

Mrs. Kerr, activities director, prepares to type the next home room bulletin.

As toastmaster of a dinner given by twenty-four business-women's organizations, Miss Felder, left, presents the Woman of the Year award to Mrs. Tracy H. Rutherford, vice-president of the Board of Education.

Miss Roberts, librarian, helps Foresters locate just the atlas needed for a special history assignment.

# CLASSES

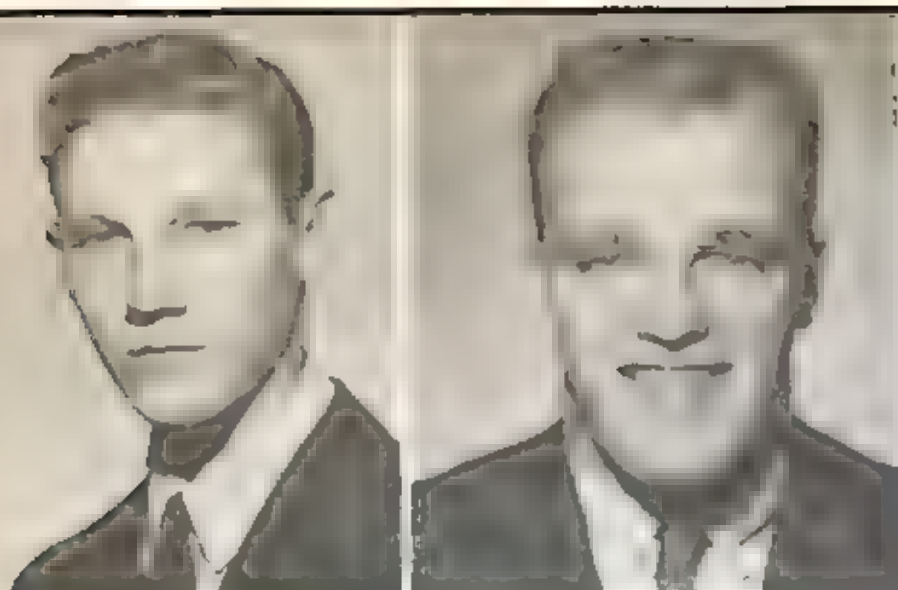

In 1916 Forest Avenue High School opened with 713 students. After forty years of work and fun we have an enrollment of 1347. The greatest number on record is 2100.

From athletics to solid geometry, classes at Forest have always held the highest standards. Both teachers and students have enjoyed their struggles and triumphs with English grammar, Latin verbs, and Chemistry equations. Forest has been fortunate in having a variety of subjects and excellent instructors.

# MILITARY

Although Reserve Officers Training Corps was not organized until later, military classes have been conducted at Forest since the school opened. When the cadets of 1916 entered, they were scared men who knew almost nothing about drilling, guns, and other things military. After a year of rigorous training they were a crack cadet corps. The freshman military students of today undergo the same change. In 1916 the military classes had little equipment. Now Forest's ROTC has modern facilities and many more officer-instructors.

# ATHLETICS

Forest has an enviable record in many athletic fields. In 1917 the first football and basketball teams were organized. Considering the fact that these were the first teams put out by the school, the season was successful. In 1955 the Lions captured second place in football in the city.

Foresters have not always come out on top, but they have done the more important thing: they have tried to win for the Green and White. Who can forget the teams' valiant striving and the wonderful school spirit shown by the Lions' supporters?

*Touchdown for the Lions!*

FOREST 12      LONGVIEW 14

Scoring two last half touchdowns, the Loboes defeated the Lions at Longview September 17. It was the opening game for both teams. After a good first half, which saw the Lions jump to a nearly six-point lead, the Loboes came back to wear the Lions out. Marion Fallwell and Jimmy Hill led the Lion offense. Fallwell's pass to Joel Wyatt for 39 yards was good for the first touchdown. Fallwell went wide for the second touchdown.

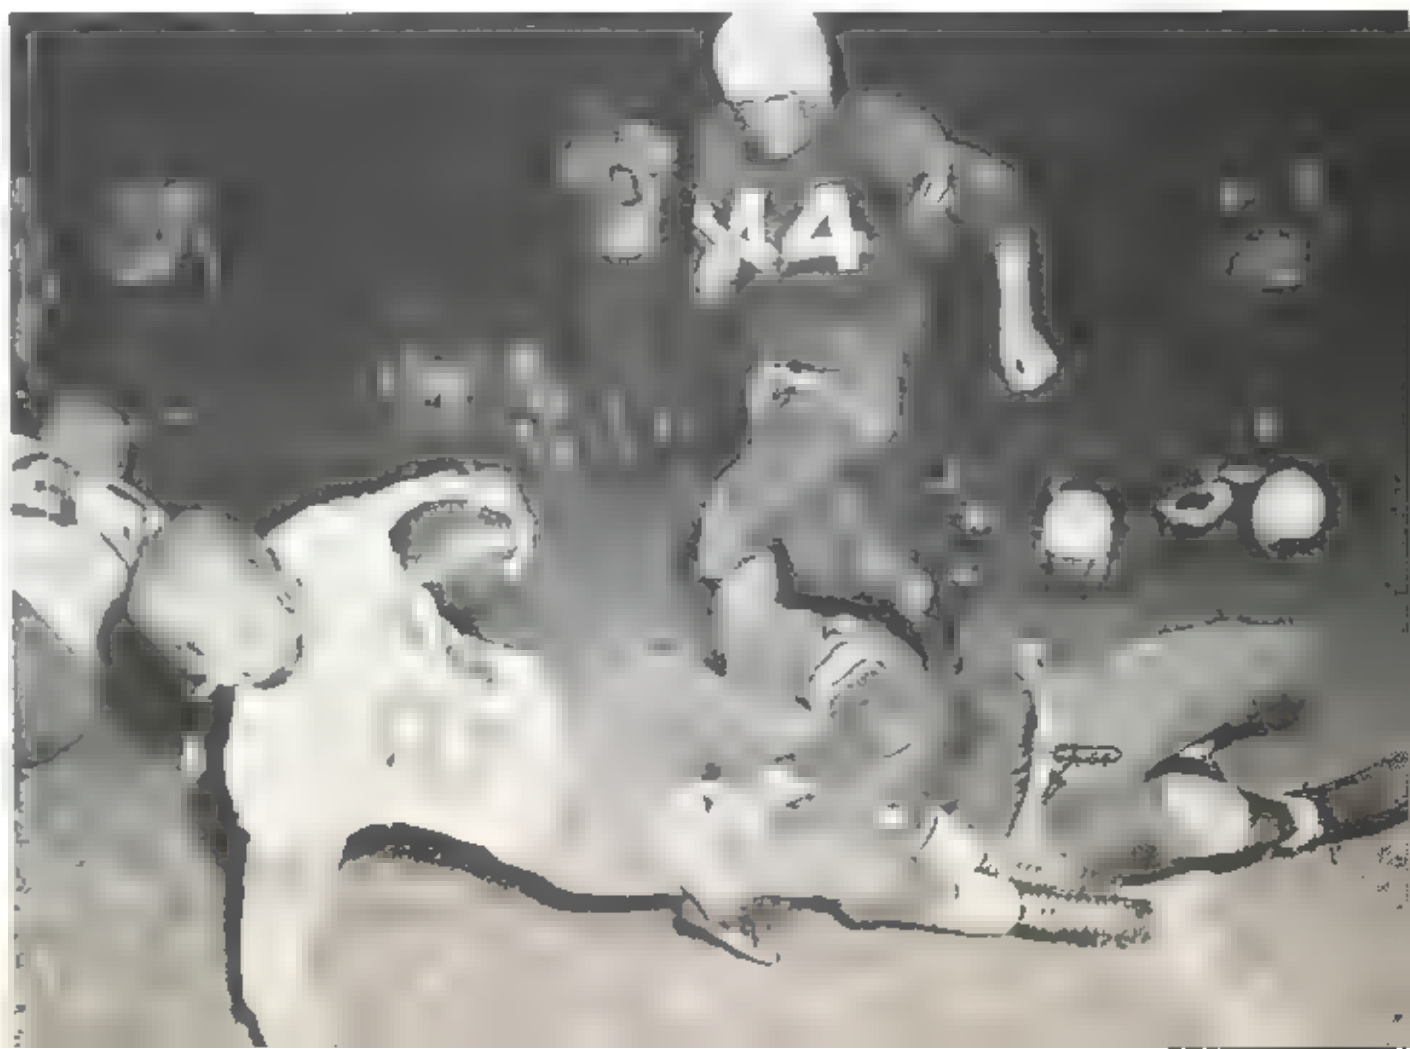

Third row: Cecil Johnson, Otto Rhone, Maxie Thomas, Walter Crum, Maurice Luckadoo, Gary Raney, Robert Rains, Gene Boatman, Howard Newhouse, Jimmy Rogers, Joe Sawyer, John Dean, Paul Murphy, Bob Cowsar, J. D. Sheppard.

Fourth row: Jimmy Reed, Bob Burris, Don Doyle, Charles Johnston, Orvis Tramel, Ronnie Eaves, Raymond Lowrey, Willie Walls, Royce Tramel

#### FOREST 0 CARTER-RIVERSIDE 6

In a battle of mistakes, the Eagles of Fort Worth defeated the Lions 6 to 0 at Dal-Hi, September 22. Willie Wilson cracked the Carter line for 112 yards on 20 carries. The only time the Eagles got into scoring position resulted in a defeat for the Lions. Gary Raney, Joel Wyatt, and John Dean were outstanding.

Frank Holey downs Robert Robinson for a loss.

## FOREST 15 SUNSET 20

In a rousing offensive battle, the Sunset Bisons downed the Lions 20 to 15 at Pleasant Grove field on September 30. A long touchdown pass in the last quarter brought the Bisons from behind. It was just about all Robert Robinson for the Bisons and Levon Hall of Forest. Robinson scored once on a 40-yarder, and Hall broke loose for 67 and 19 yards. Alert defense was shown by Frank Holey, Gary Raney, and John Dean.

## FOREST 14 PLEASANT GROVE 0

The Forest Lions finally broke into the win column at Pleasant Grove Field October 7, as they won an easy 14 to 0 victory. The win set the Lions conference record at 1-1. Willie Wilson and understudy quarterback Muriel Lane were the big offensive spark for the Lions. Willie Wilson and William Farris both went over for a tally, while Lane's passes picked up 116 yards. The big guns on defense were Gary Raney, Dick Mann, Jimmy Brockway, and Frank Holey.

A South Oak Cliff player is brought down by Orvis Tramel and teammate.

## FOREST 40 SOUTH OAK CLIFF 0

The rampaging Lions blasted the Bears 40 to 0 at Pleasant Grove Field October 14. Everyone got into the scoring column. Willie Wilson, offensive sparkplug for the Lions, and Jimmy Hill were Forest's scoring leaders. Levon Hall, Pete Embry, and Jimmy Brockway accounted for the other points. Hard hitting Frank Holey and Dick Mann were defensive standouts. George Logan and Don Doyle turned in some outstanding plays also.

## FOREST 20 NORTH DALLAS 8

The Lions, rolling to their third victory in four city series games, bounced the Bulldogs 20 to 8 at Dal-Hi, October 20. It was the first loss in four games for the Bulldogs. Coach Johnson's split-T attack was never better. It featured the quick openers of Willie Wilson and Levon Hall and the wide runs of Jimmy Hill and William Farris. For the first time in five games the Lions were led by Marion Fallwell, who had been benched because of an injury. Fallwell played his best game of the season with the offensive line backing him all the way.

Larry Westbrook is brought down hard by Pete Embry and Don Doyle

## FOREST 25 CROZIER TECHNICAL 6

It was their fourth victory in a row as the Lions blasted the Wolves 25 to 6 at Franklin Field October 26. The win kept the Lions within striking distance of the district leading Sunset Bisons. Again the powerful offense of the Green Wave was superb. It netted 379 yards rushing and 77 yards passing. William Farris joined with Willie Wilson to furnish 200 yards for the night. Fallwell scored once and Wilson twice. George Logan recovered a fumble for the other Lion score. On defense it was Pete Newhouse, Royce Tramel, John Dean, and Frank Holey who slowed the Wolves' offense.

## FOREST 14 ADAMSON 0

After a dreary first half the Lions came to life and defeated the Leopards at Dal-Hi November 4. It was the fifth win in six city games for Forest. Sparked by Jimmy Hill's hard running and rock-like defense, the Lions had the game all to themselves in the last half. Hill broke through left tackle for the first marker adding both extra points to account for eight of the fourteen points. Marion Fallwell hit Joel Wyatt for the other Lion score.

Leon Smith goes for ten yards in Adamson-Forest game.

Willie Wilson downed after a gain of seven

## FOREST 20 HILLCREST 6

A 20 to 6 defeat of the Hillcrest Panthers at Pleasant Grove Field, November 11, assured the Lions second place in the city and knocked the Panthers to third. Willie Wilson rolled up 154 of the 317 yards gained rushing by the Lions. Jimmy Hill and Leon Smith were also outstanding. Mar'on Fallwell hit Hill on a pass play for one score, then ran a keeper over for one and sent Wilson on a 12-scramper for the third. Hill kicked two extra points. Four big reasons for the fine showing of the Lions' defense were Frank Holey, George Logan, Dick Mann, and Gary Raney. These boys held a touted Hillcrest offense to 57 yards.

## FOREST 20 WOODROW WILSON 19

The aroused Woodrow Wildcats bowed to the Lions at Dal-Hi November 17. It gave the Lions clear claim to second place in the city. Again it was Willie Wilson and Jimmy Hill who carried the load for Forest. Wilson scored twice, once on a 21 yarder and again from the one. Hill picked up yardage from his half-back spot. Marion Fallwell and Joel Wyatt set up the last tally on a pass play good for 37 yards. Wyatt made a sensational diving catch on the four. A defense that faltered many times saw Frank Holey, Dick Mann, and Royce Tramel showing up well.

William Farris gains ten yards on this play.

# ACTIVITIES

Forest can be proud of a unique club program. The activity period, usually called home room in other schools, is used for clubs, counseling in individual classes, and assemblies. There is a variety of clubs, and new ones are organized whenever there is sufficient demand.

Some of the clubs existing in 1916 were the Hamilton Literary Society, La Tertulia, the Shakespearean Club, and the Girls' Glee Club. The oldest organization now active is Auditores Caesares, the Latin Club.

# FEATURES

In the Forester Annual the feature section has long been a favorite. Each year excitement mounts as Annual Day nears and students go around asking, "Who are the Forester Favorites? How did that picture of me come out, I wonder?"

In 1916 there were many interesting features, too. Our school was new. Traditions were being formed, and into the annual they went. Today many of those same traditions still live. They are cherished by both students and teachers. New customs will be made, but Foresters will not forget nor lose their love for the old.

## The Forester's Sweetheart

We couldn't begin to tell all of the things she has done to merit the annual's "academy award." To name a few, she checks in our money, pays our bills, takes our telephone calls . . . always with poise and charm and the best disposition that anybody could think up. Because she is a special favorite of the Forester Annual Staff, we have chosen Mrs. Maxine Calame the 1956 Forester's Sweetheart.
